

Zoran Hedzet

Managing director

Agency for Territorial Marketing Ltd.

Bilateral Meetings

- Tuesday 10:00 - 16:00

Description

The Agency for Territorial Marketing, Ltd. was established in 2002. Through the years it gained a rich experience in marketing services within sales and purchase of different goods on the EU market. Mainly this are the market relations between Slovenia and other EU countries. The company can provide the assistance in finding appropriate business partners on basis of targeted market research, which can be followed by the support with the negotiations with the potential business partners. The agency has also experience in clustering development and implementation of transnational EU projects
