## Bilateral Meetings

- Tuesday 10:00 - 16:00

### Description

The tourist agency SPIRIT OF REGIONS supports you during **professional excursions** and Company visits in the **Vulkanland region**. The region has made its way from the border region of Southeastern Styria to the innovative model region Vulkanland.

We see ourselves as **ambassadors of the region** with a lot of **background knowledge**. The tours are individually **tailored to your needs** and organized.

They include **professional support**, on request **in your own language** and the visit of glass manufacturers in various industries, often agricultural innovations. The network of crafts, culinary and services **inspires creative thinking** in its regional product language and design. The SPIRIT OF REGIONS team looks forward to talking with you

As ambassadors of the region, we provide **background knowledge** and use our knowledge to accompany your visit along the **trails of the volcanoes**. For your tailor made **journey to the volcano land** we draw from a network with twenty years of solid regional development, know about the legendary history, the finest manufactories in terms of craftsmanship and culinary art, the most impressive sights and know how to open up extraordinary natural sites for especially conscious guests according to ancient geomantic tradition.
