

Maja Sušec

Technology Transfer Office at University of Maribor

Bilateral Meetings

- Tuesday 10:00 - 16:00

Description

University of Maribor successfully transfers knowledge and technologies to the economic and social environment. Support for the activities of researchers and students of the University of Maribor in the field of knowledge and technology transfer is carried out by the Knowledge and Technology Transfer Office, which provides researchers and students of the University of Maribor assistance in the protection and commercialization of their know-how, technologies and ideas. The activity of the Knowledge and Technology Transfer Office thus makes an important contribution to the realization of the mission of the University of Maribor, i.e. to contribute to the development of society, addressing global challenges and economic progress in the region and the wider area.
